

When roots  
redesign future

Ancerville, September 27th 2021

Dear Sirs,

We herewith inform you that our previous shareholder Mutares SE&Ko.KG aA sold our company on the 31st of July 2021 to the long term oriented company of MM. Wolfgang LICHTENWALDER and Frank RICHTER.

Our new shareholder is the company LiCap GmbH based in Lichtenstein, sister company of the Swiss Global Investment Group.

The owners of this company are committed to a long-term investment which is a key point for the employees of La Meusienne.

Both .Dr. Wolfgang Lichtenwalder and Dr. Frank Richter have a long international experience of directing, managing and advising – see the attached experience sheet.

Since the 8<sup>th</sup> of September La Meusienne is happy to welcome its new CEO : Charles Toutain. Together with the actual management team, M. Toutain will implement the future development of La Meusienne with an important focus on the quality of our products, the commercial relationship and service.

A new chapter of La Meusienne's story begins!

We thank you for your trust and assure you to do our best for the future development of our respective companies.

Best Regards.

Charles Toutain
